The screenshot shows a web form with a dropdown menu titled '*Benefit Life Event (Spl Eligibility)'. A red arrow points to the dropdown arrow. The menu is open, showing a list of options: Custody, Separated from Spouse, Gain State Benefits, Gain of non-state Benefits, Loss of State Benefits, Loss of non-state Benefits, and Dependent Deceased. Below the dropdown, there is a field for '*Effective Date of Change' and a text area for 'Details of Change: (Provide a brief description of the event and any relevant details)'. At the bottom, there is a section for 'nt Benefits' and a note 'your current benefits before completi'.

Custody

If you gained custody or guardianship of a child, and you are not already enrolled in PEBA's health coverage, you may add yourself, spouse and/or child in health, dental or vision coverage within 31 days. If you are already enrolled in health and you are adding your spouse or child with new legal custody to health coverage, you may change plans, e.g., change savings health plan to standard health plan. You may add Dependent Life-Child for eligible children (a foster child is not eligible for Dependent Life coverage). You cannot drop any coverage or make modifications to Optional Life, Dependent Life Spouse and SLTD coverages.

The Effective Date of Change is the date of custody or guardianship.

Separated from Spouse

Separation is not recognized as a legal status in South Carolina, and therefore is not a special eligibility event in which you can make changes to coverage. However, if you have a court order from a jurisdiction that recognizes legal separation as a legal status, PEBA may honor that order and allow you to drop health, dental, vision and dependent life spouse coverage within 31 days of the court order. This is an all-or-nothing election change for all the benefits; you may not pick and choose among the options. You may also enroll, cancel or increase Optional Life Insurance.

The Effective Date of Change is the date of the court order. Coverage changes are effective the first of the month following date of notification.

NOTE: Reconciliation is not a special eligibility situation.

Gain State Benefits

If your spouse gains eligibility as an employee of a PEBA covered employer, or as a covered retiree, you must remove them from coverage. Spouses cannot cover the same child(ren) under the same benefit (health, dental, vision, Dependent Life). If your spouse is electing single coverage, the child(ren) may remain on your coverage until they turn age 26. If your spouse is covering the child(ren), they must be removed from your coverage, too.

The Effective Date of Change is the date the spouse's employee coverage begins which may be the first of the month following gain of coverage or first of the month, if coverage is gained on the first of month.

NOTE: A covered dependent child who gains eligibility for other employer-sponsored group health coverage as an employee or as a spouse may remain on your coverage until they turn age 26. However, the child cannot be covered as a child on one insurance program, such as health, and then enroll for coverage as an employee or spouse on another, such as vision.

Gain of non-state Benefits

If health, dental or vision coverage is gained, you may remove yourself, spouse and/or child(ren) from that same coverage within 31 days of the special eligibility situation. For example, if dental coverage was not gained, it cannot be dropped.

The Effective Date of Change is the date coverage was gained.

Loss of State Benefits

If your spouse lost coverage as an employee of a PEBA covered employer, and is not eligible to enroll in retiree coverage, they may be added as a dependent within 31 days of the special eligibility situation. Dependent children, under age 26, may also be added, if State coverage was lost.

The Effective Date of Change is the date coverage was lost.

Loss of non-state Benefits

You and/or eligible family members lose coverage. If you are not already enrolled in PEBA's health coverage, you may add yourself, spouse and/or children within 31 days of the loss of coverage event. If you are already enrolled in PEBA's health coverage, only dependents that lost coverage may be added at this time. If dependents are added to health coverage, you may enroll or change plans, e.g., change savings health plan to standard health plan, enroll in dental and enroll in vision. You may not enroll or change optional life insurance at this time, however, if your spouse lost other life insurance coverage, you may be able to enroll in dependent life spouse with medical evidence of good health.

The Effective Date of Change is the date coverage was lost.

Dependent Deceased

A covered dependent must be dropped from all coverage within 31 days of the date of death. You may also decrease or drop your Optional Life coverage within 31 days of your dependent's death.

The Effective Date of Change is the date of death for purposes of this form, however, coverage changes are effective the day after death for health, dependent life spouse and dependent life child changes. Coverage for optional life insurance, if changed, is effective on the date of death.

NOTE: If you experience multiple life events, a separate life event eForm should be completed for each.

- 5) Next, enter the effective date of the change and a brief description of the event and any relevant details. If you fail to make changes within 31 days of the special eligibility situation, you must wait until the next open enrollment period or another special eligibility situation. Based on the life event, you may be able to add dental coverage outside of the open enrollment period in odd numbered years. Information relevant to your special event will populate below in the Applicable Enrollment Changes section.

*Benefit Life Event (Spl Eligibility)	Custody	
*Effective Date of Change	05/01/2025	31 Day Notice Date
*Details of Change: (Provide a brief description of the event and any relevant details)	Gained custody of my nephew on 5/1/2025.	
Applicable Enrollment Changes: If you gained custody or guardianship of a child, and you are not already enrolled in PEBA's health coverage, you may add yourself, spouse and/or child in health, dental or vision coverage within 31 days. If you are already enrolled in health and adding your spouse, or the child with new legal custody, to health coverage, you may change plans, e.g., change savings health plan to standard health plan. You may add Dependent Life-Child for eligible children (a foster child is not eligible for Dependent Life coverage). The Effective Date of Change is the date of custody or guardianship.

Special Note about Notice of Election (NOE):

Some transactions cannot be completed online and require a Notice of Election (NOE) form. The NOE is a legal document. If the form is not completed properly, PEBA will reject it. The NOE is three pages long with eight sections. The first two pages must be completed. The third page provides the instructions for each section of the form.

Please be aware of the following information while completing your NOE:

1. When selecting coverage:
 - a. Fill out the form completely and write clearly. Alterations (such as mark-throughs or white-out) in the “Coverage” section are not allowed.
 - b. To enroll, select the coverage and select the coverage level.
 - c. To refuse or cancel coverage, select Refuse.
 - d. Be sure to review the form for accuracy, sign it, and provide it to your campus Benefits Office with copies of the required documents.
2. PEBA will not accept electronic signatures. PEBA requires a “live” signature.
3. Must list a primary beneficiary when enrolling in a health plan and/or Optional Life.

You may complete the form electronically, print the form and sign it with a live/wet signature, and then scan it back to be uploaded with your Life Event/Special Eligibility eForm.

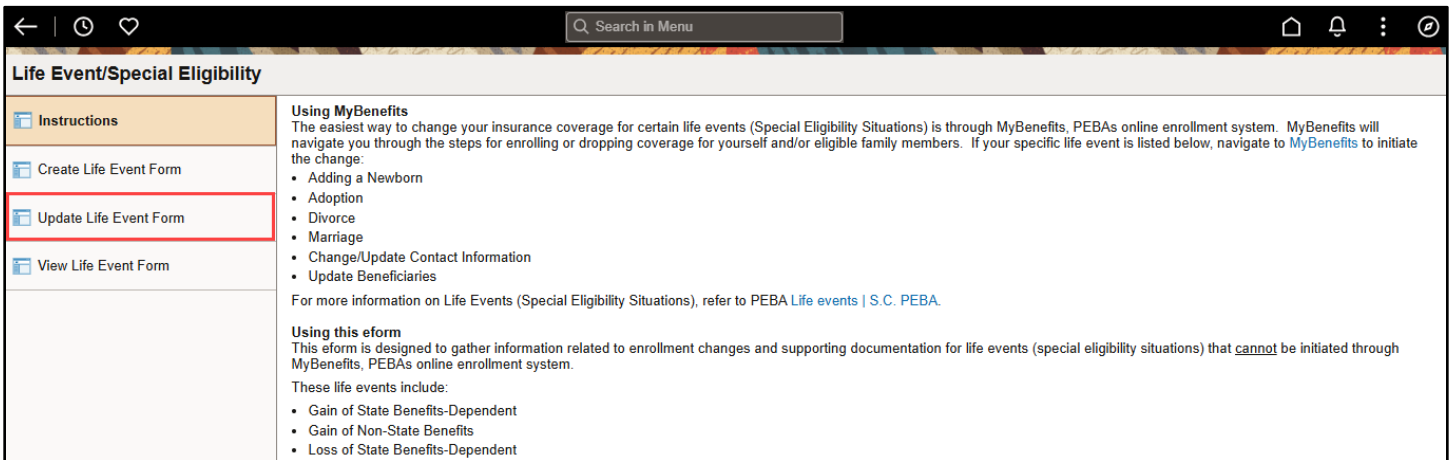

For detailed instructions on completing the NOE, reach out to your campus’ Benefits Office or review the presentation linked **here**.
