

DR. SCOTT R. GOODE

Office: Room 207 777-2601

ANALYTICAL CHEMISTRY

Inductively-Coupled Plasma Spectroscopy
Laser-Induced Breakdown Spectroscopy

RESEARCHERS

Chris Dockery
Richard Hoskins
Brooke Steinbock

Hazard Information Notice	
Emergency Numbers USC Police 7-9111 USC Radiation Safety 7-5269 Work Control 7-4217 Scott Goode 699-0591 Chris Dockery 772-4664 Richard Hoskins 699-9006	Fire Hazards Flammable Liquids in Excess of 1 Gal: None Flammable gases: none Strong oxidizing reagents: none Explosives: none Pyrophoric metals: none
Radiation Hazards Microwave Radiation, none Laser Radiation: Class IV RF Radiation 27 MHz	Biological Hazards None
Utilities Electrical power: Outside Door Elec hazards: Several high voltage sources Gas/water shutoff: Inside utility chase Eyewash.safety shower: Inside door	Other Health Hazards
Safety Officer Chris Dockery	Other Information
